Why Empowering lives through Nutrition for the community Millet Based Programme	Empowering lives through Nutrition, with a goal of addressing Anaemia among pregnant and nursing mothers and children in marginalized areas of Goa.

Goa Shipyard Limited has signed the MOU with Goa Livelihood Forum(GLF) on 16th November 2023 wherein Goa Shipyard Limited has provided financial support of Rs. 34,00,000/- as a part of their CSR initiative to collaborate on a Nutrition programme titled Ananya- Empowering lives through Nutrition, with a goal of addressing Anaemia among pregnant and nursing mothers and children in marginalized areas of Goa.

(a) Provision of Nutrition Packs: GLF shall provide 9,000 supplementary nutrition packs to 2,000 pregnant women, nursing mothers, and 250 children over a period of 6 months. The 2,000 identified anemic women and 250 children will be provided with a continuous supply of supplementary pack for 4 months.

(b) Health Camps: GLF will organize health camps aimed at identifying women and children suffering from Anaemia in the targeted communities.

(c) School Outreach Program: GLF will conduct sensitization and awareness sessions on nutrition in 02 schools located in identified marginalized areas. Out of 02, GLF will conduct 01 School Outreach program before 31st December, 2023.

(d) Women Empowerment Workshops: GLF shall conduct 02 women empowerment workshops in marginalized areas across Goa, focusing on nutrition and health education. Out of 02, GLF will conduct 01 women empowerment workshop before 31 December, 2023.

(e) Poshan Parivaar Gathering: GLF will organize a mass-level gathering, 'Poshan Parivaar', in 1st week of December 2023 to promote awareness further. GLF will include a program on Millets awareness as a part of the initiative.

(f) Documentary/Short Film: GLF will provide a Audio-visual documentary on the program, to be submitted in March 2024, upon completion of the program.

(g) Project Report: GLF will submit a comprehensive project report, highlighting the objectives achieved through this CSR initiative in Goa. This will be submitted within 14 working days, after the completion of the program.

(h) Mandate: In order to undertake the Scope of Work as defined above, GSL agrees to provide budgetary support of Rs.34,00,000/- (Rupees Thirty Four Lakhs only) to the GLF, under CSR for the purpose of meeting the requirement and progress of the Scope of Work /activities.

The program ananya aims to reach its target groups (audience) through three levels of communications
