METRO DIGEST

RAdm Vineet Bakhshi, chairman Goa Shipyard Ltd (GSL), inaugurated GSL's skill development project in the presence of A V Chowgule, chairman SITEG, Cmde P K Shrivastava, director (CPP & BD) GSL, and S D Patil, secretary, were also present

GSL's skill development project launched

In an effort to impart employability skill among the unemployed youth and school dropouts, a Skill Development Programme as a CSR project of Goa Shipyard Ltd, was launched at Institute of Ship Building Technology, Vasco on November 27. the Society for Industrial & Technical Education of Goa (SITEG) is the executing partner of the project. The launching of the programme coincided with the commencement of the first batch of training in welding technology. The project is aimed at providing training in welding to the youth, honing their skills and preparing them for Industry and as tradesmen in ship building, fabrication and ship repairs in particular. On completion of the training, students will be awarded certificates by the classification society.

House gutted in blaze at Ponda: A house was gutted in a fire which broke out due to a oil lamp which was lit before religious idols at Velap-Kapileshwari in Ponda taluka on Friday evening. The fire also led to a LPG cylinder blast. Ponda fire station official Shailesh Gaude revealed that nobody was present in the house after the owner Shobhavati Naik lit the lamp and had gone out of the house. Suddenly she and some neighbours found fumes and flames coming out of the house. Neighbour Shankar Naik, 20, who ran to douse the fire, fainted when the cylinder exploded. He was later taken to Ponda health center and discharged after primary treatment.

PANJIM: In an effort to impart employability skill among the unemployed youth and school dropouts, a Skill Development Programme as a CSR project of Goa Shipyard Ltd., with Society for Industrial & Technical Education of Goa (SITEG), as the executing partner of the project was launched at Institute of Ship Building Technology, Vasco, on November 27.

The project is aimed at providing training in welding to the youth, honing their skills and preparing them for industry and as tradesmen in ship building, fabrication and ship repairs in particular. The students will be awarded certificates by the Classification Society on completion of the training.

RAdm. Vineet Bakhshi VSM, Chairman & Managing Director, Goa Shipyard Ltd, inaugurated the programme in the presence of A V Chowgule, Chairman SITEG and other dignitaries.

Lauding the SITEG for supporting and partnering GSL in its endeavour to establish a Skill Development Institute under CSR, the CMD GSL said that the success of the project will open up possibilities of its expansion for other trades in ship building core areas such as fabrication, crane operators, marine fitters, etc.

Speaking on the occasion, Chowgule said that such joint initiatives will undoubtedly go a long way in not only honing the skill sets of the youth but also assist in the gainful employment of such skilled manpower created through the project in Goa. It would strengthen the availability of skill sets for shipbuilding in India.

VASCO: In an effort to impart employability skills among the unemployed youth and school dropouts, a Skill Development Institute as a Corporate Social Responsibility (CSR) project of Goa Shipyard Ltd, with Society for Industrial and Technical Education of Goa (SITEG) as the executing partner of the project, was launched at Institute of Ship Building Technology, Vasco, on Tuesday.

The chairman and managing director, Goa Shipyard Ltd, Rear Admiral (Retd), Mr Vineet Bakhshi VSM, inaugurated the programme in the presence of SITEG, chairman, Mr Ashok Chowgule, GSL (CPP and BD), director, Cmde P K Shrivastava and SITEG, secretary, Mr S D Patil.

The launching of the programme was synchronised with the commencement of the first batch of training in welding technology.

The project is aimed at providing training in welding to the youth, honing their skills and preparing them for industry and as tradesmen in ship building, fabrication and ship repairs in particular. The students shall be awarded certificates by the Classification Society on completion of the training.

Lauding the SITEG for supporting and partnering GSL in its endevour to establish a Skill Development Institute under CSR, the Mr Bakhshi stated that, "This is a long term initiative with a duration of 5 years for which GSL has entered into a memorandum of agreement which would see it developed into a sustainable project. GSL shall provide necessary financial support under its CSR to develop the said infrastructure."

He further said that the success of the project will open up possibilities of its expansion for other trades in shipbuilding core areas such as fabrication, crane operators, marine fitters, etc.

Speaking on the occasion, chairman, SITEG, Mr Ashok Chowgule, said that such joint initiatives will undoubtedly go a long way in not only honing the skill sets of the youth but also assist in the gainful employment of such skilled manpower created through the project in the state. It would strengthen the availability of skill sets for Shipbuilding in India.

"It is noteworthy that GSL has over the years provided significantly to this sector in Goa by way of employment, taxes, revenues and ancillary industry development. The Skill Development Project is the first ever collaborative effort of a premier public sector ship building company and a leading training institution offering customised quality training programme to the local youth," stated Mr Chowgule.

वास्को : गोवा शिपयार्डच्या कौशल्यविकास उपक्रमाचे उद्घाटन करताना रियर ॲडमिरल विनीत बक्षी. बाजूला संस्थेचे अध्यक्ष अशोक चौगुले व इतर.

शिपयार्डतर्फे कौशल्य विकास उपक्रम

▶ **वास्को / प्रतिनिधी**

बेरोजगार तसेच शिक्षण अर्धवट सोडलेल्या युवकांमध्ये किमान कौशल्य निर्माण व्हावे यासाठी गोवा शिपयार्डतर्फे आपल्या सामाजिक उत्तरदायित्वाचा एक भाग म्हणून कौशल्य विकास उपक्रम हाती घेण्यात आला आहे.

वास्को येथील इन्स्टिट्यूट ऑफ शिप बिल्डिंग टेक्नोलॉजीच्या परिसरात या कार्यक्रमाचा प्रारंभ करण्यात आला. गोवा औद्योगिक आणि तंत्रशिक्षण संस्थेचे सहकार्य यासाठी लाभले. या कार्यक्रमांतर्गत युवकांना वेल्डिंग तंत्रात प्रशिक्षित केले जाणार आहे. यातून जहाज बांधणी, फॅब्रिकेशन आदी उद्योगात कुशल मनुष्यबळ मिळेल. प्रशिक्षणार्थीना प्रमाणपत्रेही दिली जातील.

कार्यक्रमाचे उद्घाटन गोवा शिपयार्डचे अध्यक्ष तथा व्यवस्थापकीय संचालक रिअर ॲडमिरल विनीत बक्षी यांच्या हस्ते करण्यात आले. यावेळी संस्थेचे अध्यक्ष अशोकराव चौगुले व इतर मान्यवर उपस्थित होते. संस्थेच्या कार्याची प्रशंसा करताना बक्षी यांनी गोवा शिपयार्डचा हा दीर्घकालीन उपक्रम असल्याचे स्पष्ट केले. शिपयार्डने संस्थेशी तसा पाच वर्षाचा करार केल्याचे ते म्हणाले. यातून बेरोजगार युवकांच्या अंगभूत कौशल्याला वाव मिळेल. मनुष्यबळाचा विकास होण्यास मदत होईल, असे सांगून शिपयार्डतर्फे आवश्यक आर्थिक पाठबळ या उपक्रमाला दिले जाईल अशी ग्वाही त्यांनी दिली.

बेरोजगारांसाठी गोवा शिपयार्डतर्फे कौशल्य विकास कार्यक्रम

पणजी | दि. २८

बेरोजगार तसेच शिक्षण अर्धवट सोडलेल्या युवकांत किमान कौशल्य निर्माण व्हावे, यासाठी गोवा शिपयार्डतर्फे आपल्या सामाजिक उत्तरदायित्वाचा एक भाग म्हणून कौशल्य विकास कार्यक्रम हाती घेण्यात आला आहे. वास्को येथील इन्स्टिट्यूट ऑफ शिप बिल्डिंग टेक्नॉलॉजीच्या परिसरात या कार्यक्रमाचा प्रारंभ नुकताच करण्यात आला असून गोवा औद्योगिक आणि तंत्रशिक्षण संस्थेचे सहकार्य यासाठी लाभले आहे.

या कार्यक्रमांतर्गत युवकांना वेल्डींग तंत्रात प्रशिक्षित केले जाणार आहे. यातून जहाज बांधणी, फॅब्रिकेशन आदी उद्योगात कुशल मनुष्यबळ मिळेल. प्रशिक्षणार्थींना प्रमाणपत्रेही दिली जातील.

कार्यक्रमाचे उद्घाटन गोवा शिपयार्डचे चेअरमन तथा व्यवस्थापकीय संचालक रिअर ॲडमिरल विनित बक्षी यांच्या हस्ते झाले.

या वेळी संस्थेचे चेअरमन ए. व्ही. चौगुले व इतर मान्यवर उपस्थित होते. संस्थेच्या कार्यांची प्रशंसा करताना बक्षी यांनी हा दीर्घकालीन उपक्रम असल्याचे स्पष्ट केले. शिपयार्डने संस्थेशी तसा ५ वर्षीय करारच केल्याचे ते म्हणाले. यातून बेरोजगार युवकांच्या अंगभूत कौशल्याला वाव मिळेल. मनुष्यबळाचा विकास होण्यास मदत होईल.

शिपयार्डतर्फे आवश्यक आर्थिक पाठबळ उपक्रमाला दिले जाईल, अशी ग्वाही त्यांनी दिली.

गोवा शिपयार्डच्या कौशल्यविकास कार्यक्रमाचे उद्घाटन करताना रियर ॲडमिरल विनित बक्षी, संस्थेचे अध्यक्ष ए.व्ही. चौगुले आदी मान्यवर.
