Infrastructure development scheme for dairy co-operatives

NT NETWORK

PANAJI: The government of Goa has notified the scheme and pattern of financial assistance to the dairy co-operative societies in the state in the form of grant for their development/smooth functioning of business and other allied activities.

This scheme will be called 'Infrastructure Development Scheme for Dairy Cooperatives' by way of grant to meet the administrative/ managerial expenses on staff salaries and allowances, wages, office expenses, rent rates and taxes, and equipment.

The objective of the scheme is to strengthen grassroots cooperative movement, enable village cooperatives to become economically viable and raise better infrastructure for primary dairy societies.

The dairy cooperative societies which are regularly supplying milk to the milk union will be entitled to avail financial support in the form of grant on the following pattern on yearly basis subject to availability of funds for daily collection of milk.

For above 500 liters per day will be given a grant of Rs 1.50 lakh, for 300-500 liters per day Rs 1 lakh and for 150-300 liters per day Rs 75,000 will be provided.

Detail guidelines of the scheme are as follows: the society shall submit the milk supply report from the milk union for the period for which the assistance is applied for along with proposal. The scheme is applicable to the societies only after one year of its registration.

The concerned assistant registrar shall certify the correctness of the milk supply report of the society by verifying the records of the same.

The society shall submit the proposal to the concerned assistant registrar in the prescribed application along with all the requirements. The government may relax/modify any of the above conditions if deemed necessary. The society shall approve the proposal for utilisation of government assistance in the general body/special general body before submitting the proposal to the concerned office of assistant registrar. The registering authority shall verify the utilisation of the grants released.

गोवा शिपयार्डतर्फे पेडण्यात डेअरी

पणजी : गोवा शिपयार्ड लिमिटेडच्या डेअरी सहकारी प्रकल्पाचे कोरगाव-पेडणे येथे नुकतेच उद्घाटन झाले. सभापती राजेंद्र आर्लेकर, गोवा शिपयार्डचे चेअरमन तथा व्यवस्थापकीय संचालक रिअर एडमिरल (निवृत्त) विनित बक्शी, पशुसंवर्धन खात्याचे संचालक डॉ. बेंजामिन ब्रागांझा आदी मान्यवर याप्रसंगी उपस्थित होते.

दुग्ध उत्पादनात वृद्धी करून राज्यात रोजगाराच्या संधी उपलब्ध करणे या डेअरी विकास योजनेचा भाग आहे. सामुहिक शेती तत्त्वावर आधारित या प्रकल्पाची संकल्पना आहे. पेडणेत सर्वप्रथम प्रायोगिक तत्त्वावर तो लागू करण्यात आला आहे. शेतकऱ्यांच्या विद्यमान डेअरी व्यवसायात उद्योजकता आणणारी ही योजना आहे. सभापती आर्लेकर यांनी या प्रसंगी बोलताना गोव्यातील लहान व तळातील शेतकऱ्यांना रोजगार व उत्पन्नात वाढ करून देणारा हा प्रकल्प यशस्वी व गोव्यासाठी दिशादर्शक ठरेल, अशी आशा व्यक्त केली.

यासंदर्भात गोवा शिपयार्डची भूमिका स्पष्ट करताना एडमिरल बक्शी म्हणाले, सहकार क्षेत्रातील लोकांना आर्थिकदृष्ट्या अधिक दर्जेदार व सक्षम बनवणे, तसेच गोव्याला दुधाच्या उत्पन्नात स्वावलंबी बनवणे हे आमचे ध्येय आहे. शिपयार्डने या संदर्भात करारनामा केला असून हा प्रकल्प स्वयंपूर्ण होईल, अशी आशाही त्यांनी व्यक्त केली. जिल्हा पंचायत सदस्य दीपक कळंगुटकर, कोरगावचे सरपंच पंढरी आरोलकर, इब्रामपूरचे सरपंच सूर्याजी नाईक आदी मान्यवर याप्रसंगी उपस्थित होते.

GSL's dairy project inaugurated at Pernem

In an effort to enhance the livelihood opportunities in the region through increasing milk production, a 'dairy cooperative project' as a CSR initiative of Goa Shipyard Limited (GSL), with National CSR hub as the executing agency, was recently inaugurated at Korgao in Pernem taluka. Speaker Rajendra Arlekar inaugurated the project in the presence of GSL's chairman and managing director RAdm (Retd) Vineet Bakhshi, director of animal husbandry and veterinary services Dr Benjamin Braganca, ZP member Shri Deepak Kalangutkar, Korgao sarpanch Pandari Arolkar, Ibrampur sarpanch Suryaji Naik, and officials of the government and GSL. This pilot project based on collective farming model undertaken in Pernem taluka is aimed at empowering the community to enhance their existing practices of income generation through entrepreneurial development programmes; besides developing alternatives sources of income which are sustainable in the long run in villages. Addressing the gathering, Arlekar lauded GSL for spearheading such a community initiative and expressed hope that this pilot project will lay the road map for generating employment opportunities and enhancing income levels in the villages, specially for small and marginal farmers. "Our vision is to enhance the quality of life of the members of the co-operative and contribute towards making Goa self sufficient in milk production. GSL has entered into a memorandum of agreement for this project which would see it developed into a sustainable project," said GSL's CMD Vineet Bakhshi.

Porvorim local complains of theft: A Porvorim resident was robbed of his laptop and other valuables at Fort Aguada on Friday afternoon. The Calangute police said that Y Marasa Reddy, a resident of Porvorim, lodged a complaint stating that unknown persons broke his car window, opened the door and stole a Dell laptop, an iPod, an iPhone and a Sony camera, all worth ₹1,00,500. The car had been parked in an open space while Reddy was away at around 12.40pm.

CM inaugurates newly restored school at Moira: Chief minister Manohar Parrikar inaugurated the newly restored St Xavier's pre-primary school in Moira. The school, which is more than 70 years old, was restored from scratch by Acron. The timber roofed structure was replaced with insulated galvalume sheets with improved tiling, flooring, playrooms for the kids and sanitation facilities.

Dairy Co-operative Project initiated by Goa Shipyard Ltd in collaboration with Tata Institute of Social Sciences inaugurated at Korgao

Arlekar calls upon farmers to boost milk production in state

NT NETWORK

PANAJI: The Speaker of Goa Legislative Assembly, Rajendra Arlekar, has called upon farmers to boost milk production in the state, adding the present milk produced is not sufficient to meet the required demand in the state.

Arlekar was speaking after inaugurating Dairy (collective farming) Co-operative Project initiated by Goa Shipyard Ltd in collaboration with the Tata Institute of Social Sciences (TISS) at Korgao, Pernem on Tuesday.

Speaking further, he appreciated the venture of Goa Shipyard in the sectors like health, agriculture and water harvesting for the welfare of the state.

He urged for more co-operation from the farmers which will help to increase the milk production.

Arlekar also said that "we have to strive to attain self reliance in milk production rather than depending on neighbouring states. He hoped that sincere efforts coupled with the benefits of various government schemes will help to achieve the target.

The chairman and managing director of GSL, Rear Admiral (retired) Vineet Bakshi, VSM, in his welcome address informed that the Goa Shipyard has initiated various collective farming projects in various parts of the state.

He said that the GSL has planned to undertake five collective farming projects in the Pernem taluka out of which three projects have already commenced in Korgao, Pernem and Ibrampur.

Under this project, 44 cows have been distributed to farmers, 34 more cows will be given in the next few days and by end of this year 150 cows will be given to farmers.

The objective behind this endeavour is to extend a helping hand to increase the milk production in the state. He appealed to the farmers to co-operate in this venture of Goa Shipyard Ltd.
